Chapter 1 by Story Wars

I have just started on Story Wars, and I don't know who Intellikat is. From what i've heard, lots of people hate him, but why is he so bad. If you are here, Intellikat, **PLEASE** tell me.

Chapter 2 by Wolfato the Bunacado (Wolves4Days) - Inactive

I know right!!! I don't know who Intellikat is either!!!

Chapter 3 by ArchAngel

The old timers speak of him in hushed tones. Since the beginning of time this feline menace has prowled through Story Wars. No story was safe. You'd think your story was safely tucked up in bed, and then he would pounce, and your story would never be the same again.

looks worriedly over shoulder

But don't say his name too loud... you might awake him from his slumber.

But his two cents is worthless since no one knows who he REALLY is.....

But no matter, I've come to respect Intellikat.

Chapter 6 by SaintSayaka

All you children know is your glittering gods of gold and silver, the ones known as Saint Sayaka, or KING, false inheritors to a kingdom Intellikat was the one to first build.

Intellikat is blood and earth, whereas they are reflections on the surface of a lake, no substance, no energy, no life. Intellikat was the mover and the shaker.

Intellikat was this site, and we are all their mere inhabitants until they return, once more, to their throne.
